Mr Rick Arthur,

On Behalf of the Region of Peel I would like to send my thanks to you and your staff in the quick procurement and replacement of the damaged drive at the Bolton WWPS.

I would also like to extend my sincere thanks to Mr. Craig Heffernan: Maintenance Manager of Effem Foods INC. for arranging the possible use of one of their spare ABB VFD Drives, if an emergency arose while the Pump#3 drive was being replaced.

The co-operation between industry and municipal clients is commendable, and we are very fortunate in having this kind of relationship.

Please forward this to Craig Heffernan extending our appreciation.
