

AUTOMATION & DESIGN

TOYS R US

Mr. Don Butcher Director of Logistics.

Reference: RA-TECH Electrical Services Inc.

RA-TECH Electrical services Inc. has been providing Cuda Automation & Design with all of Electrical conveyor needs. Their staff has met all Cuda's challenges head and in a professional manner.

They are our preferred provider for electrical solutions. We have trusted RA-TECH to such clients such as Best Buy, Toyota, Nummi, Magna and Corporate Express and DuPont to name a few.

For the last 5 years RA-TECH staff have worked along with Cuda Automation as our controls experts. The company has tremendous experience in working with all types of conveyors systems, high-speed sorters. From Automotive, Material Handling, and Pick to Light systems environments.

Their services and abilities would encompass PLC/programming, Panel build, Schematics, troubleshooting and Supervision of Electrical Projects.

I would have no reservations in recommending RA-TECH Electrical Services Inc. to my clients his services are 2nd to none.

Sincerely

Robert B. Hammond
President
